List of Trust Products

LANDBANK OMNIBUS DIRECTORY OF PRODUCTS AND SERVICES – TRUST BANKING GROUP **2021**

A. TRUST ARRANGEMENTS

This refers to a fiduciary relationship whereby legal title to funds and/or properties of the Trustor is transferred to LANDBANK-Trust Banking Group (LANDBANK TBG), subject to an equitable obligation to administer, hold, and manage such funds and/or properties for the use, benefit or advantage of the trustor and/or other designated beneficiaries

1. UNIT INVESTMENT TRUST FUND (UITF)

Unit Investment Trust Fund (UITF) products are open-ended pooled trust funds that are invested collectively in a diversified portfolio regulated and approved by the Bangko Sentral ng Pilipinas (Section x410 of the MORB).

As open-ended pooled funds, participation/contribution comes from several participants (investors) pooled and invested as a single fund. Such participation and its redemption/withdrawal are allowed as often as stated in each fund's respective Plan Rules (Declaration of Trust).

UITFs are affordable and are the best investment vehicle to easily participate in the financial markets. UITF products offer a simple, more convenient, and less time-consuming method of investing in a diversified portfolio.

NOTE: UITFs are not deposit products and are not insured by the Philippine Deposit Insurance Corporation (PDIC), nor is it insured by the trust entity or its affiliates or subsidiaries.

Due to the nature of investment, yields and potential yield cannot be guaranteed. Historical yields are purely for reference purposes and do not guarantee similar future results. Any income and loss arising from market fluctuations and price volatility of the securities held by the UITF, even if invested in government securities, is for the account of the Trustor/Investor.

The units of participation in the fund, when redeemed, may be worth more or be worth less than the initial investment/contributions of the Trustor/Investor. LANDBANK TBG, as trustee, is not liable for losses unless upon willful default, fraud, bad faith, or gross negligence.

Trustor/Investor must read the complete details of the fund in the Plan Rules/Declaration of Trusts, make his/her own risk assessment, and when necessary, he/she must seek independent/professional opinion before making an investment.
