2. The prospective bidder shall submit its electronic bid by uploading the same in the LBP SFTF (please refer to the Guide in Accessing LBP Secure File Transfer Facility below). The electronic bid consisting of two copies/files must be labelled with bidder's assigned short name, last six (6) digits of the bidding reference number and bid copy number, each separated with a dash sign. Thus, for a project with bidding reference number LBPHOBAC-ITB-GS-20200521-01 that XYZ Company wants to bid on, the archived files shall be labelled as XYZ-052101-C1 and XYZ-052101-C2. The archived files shall be generated using either WinZip, 7-zip or WinRAR and must be password-protected. Only bids that are successfully uploaded on or before the deadline shall be accepted.
3. Each of the above mentioned archived files shall contain the Technical Proposal and Financial Proposal files. The files shall be labelled as above plus the word "Tech" or "Fin" in the case of the Technical Proposal and Financial Proposal, respectively. Thus, using the above example, XYZ-052101-C1 shall contain the PDF files labelled XYZ052101-C1-Tech and XYZ-052101-C1-Fin while XYZ-052101-C2 shall contain the PDF files labelled XYZ-052101-C2-Tech and XYZ-052101-C2-Fin. All the required documents for each component shall be in one (1) PDF file, sequentially arranged as indicated in the Checklist of Bidding Documents and must be signed by the authorized signatory/ies when required in the form.
5. The archived files and the PDF files shall be assigned with a different password each and these passwords shall be disclosed by the bidder only upon the instruction of HOBAC during the actual bid opening. In case an archived/PDF file fails to open due to a wrong password, the specific bidder shall be allowed to provide the HOBAC with passwords up to five (5) times only. The same number of attempts shall apply to Copy 2 of the bid, in case there is a need to open it. If the archived/PDF file still could not be opened after the maximum allowable attempts, the bidder concerned shall be disqualified from further participating in the bidding process.

Electronic bids received after the deadline shall not be accepted by the HOBAC. Thus, bidders are requested to upload their electronic bids at least two (2) hours before the deadline.
7. On the bid opening date, the bidder shall confirm its/his participation in the online meeting with the HOBAC Secretariat at least one (1) hour before the scheduled meeting. 10. Once the connections are in place, the HOBAC, with the assistance of the HOBAC Secretariat, retrieves the archived file from the LBP SFTF and opens the same. The Technical Proposal shall be opened first. Upon instruction from the HOBAC, the bidder concerned shall disclose the passwords for the archived file and the PDF file of the Technical Proposal. The retrieval, opening and page-by-page review of documents shall be shown to the participants through screen sharing.
11. The HOBAC then determines the eligibility and compliance with the technical requirements of the specific bidder using a nondiscretionary "pass/fail" criteria. Only bidders that have been rated "Passed" shall be allowed to participate in the succeeding stages of the bidding process.
12. The HOBAC, with the assistance of the HOBAC Secretariat, shall then open the Financial Proposals of those bidders that have been rated "Passed".
