**SUPPLEMENTAL/BID BULLETIN NO. 2
For LBP-ICTBAC-ITB-GS-20231218-01**

PROJECT : **Supply, Delivery of 300 Units All-in-One Computer**
IMPLEMENTOR : **ICT-BAC Secretariat Unit**
DATE : **January 31, 2024**

This Supplemental/Bid Bulletin is issued to modify, amend and/or clarify certain items in the Bid Documents. This shall form an integral part of the Bid Documents.

Modifications, amendments and/or clarifications:

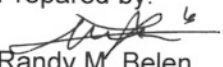

1. The bidder/s are encouraged to use the Bid Securing Declaration as Bid Security.
2. The Bidder's are reminded that Annex "D-2" of the Bidding Documents has been previously revised pursuant to the issued Supplemental Bid Bulletin No. 1 dated 26 January 2024. A copy of the revised Annex "D-2" is herein attached.
3. Responses to bidder's queries/clarifications per attached Annexes "G-1" to "G-3".

EVP LEILA C. MARTIN
ICT-BAC Chairperson

RESPONSES TO BIDDERS' QUERIES AND/OR SUGGESTIONS

DATE	January 26, 2024
PROJECT IDENTIFICATION NO.	LBP-ICTBAC- ITB-GS-20231218-01
PROJECT NAME	Supply and Delivery of 300 Units All-in-One Computer

ITEM NO.	Portion of Technical Specs.	Question/s or Suggestion/s	LANDBANK's RESPONSE
1.	Anti-Virus	<p>Do You have a preference with regards to Anti-Virus (AV)?</p> <p>AV features or will the basic Anti-Virus do?</p> <p>Preferred deployment Via Prem or Cloud?</p>	<p>No specific Brand or Preference.</p> <p>Basic Anti-Virus will do.</p> <p>Installed upon delivery. Stand alone or update via cloud.</p>
2.	Technical Specs A. 2 Minimum Based Frequency	<p>Requirements on the minimum based frequency clarify efficient or performance-based frequency since new based starting to 12 gen is split into two cores. Both have different based frequency and turbo-based frequency.</p> <p>If performance, will you consider relaxing to 2.5 GHz. Since the newer generation has a lower based frequency.</p> <p>Your frequency is for older generation. What we offer is the new generation that is the 13th generation. Can we change the minimum based frequency up to 2.5 GHz?</p> <p>Can you remove the minimum based frequency 3.0 GHz since this is used by a older generation and what we will provide is a newer generation?</p>	<p>Performance based</p> <p>We will retain tech specifications.</p> <p>We will retain tech specifications.</p> <p>We will retain tech specifications.</p>
3.	Technical Specs A.6 I/O Ports	Will you consider relaxing the HDMI-out 2.1 port to at least HDMI 2.0?	We will retain tech specifications.

RESPONSES TO BIDDERS' QUERIES AND/OR SUGGESTIONS

DATE	January 26, 2024
PROJECT IDENTIFICATION NO.	LBP-ICTBAC- ITB-GS-20231218-01
PROJECT NAME	Supply and Delivery of 300 Units All-in-One Computer

ITEM NO.	Portion of Technical Specs.	Question/s or Suggestion/s	LANDBANK'S RESPONSE
1.	Technical Specifications: A. 2	Requesting to relax it into 2.5GHz because almost all latest generation processor has only 2.5GHz base frequency Performance but greater number of cores, threads & cache. Our offered processor is Intel Core i5-14400.	We will retain tech specifications.
2.	Technical Specs A. 6 I/O ports: HDMI In 1.4 Port	Do you also consider External Adapter?	Yes
3.	Technical Specs A.6 5MP IR Camera	Do you also consider External Camera?	Yes
4.	Others: Pre-loaded with Windows 11 Pro (64-bit) (With certification from the manufacturer that the MS Operating System is -re-installed from the factory)	May also suggest to include in the certificate that the MS Operating system is genuine, licensed and not comes from grey market.	We will retain tech specifications.
5.	Additional Requirements: • Bidder must be an authorize service provider of the product (with manufacturer's certification)	May we request to remove this requirement because other reseller is not an ASP but they can provide the first level of after sales support especially if our brand (Dell) is already providing an onsite support directly to the end-user. This requirement can limit only to those big players thus, hoping to give chance to small-medium bidder that can	We required our bidder to be an authorized service provider to ensure prompt and efficient technical support.

	<ul style="list-style-type: none"> • Distributor/Dealer/Manufacturer must have Service Centers in the following areas to provide warranty services within the three(3) years: Metro Manila, Cebu, Davao, Bacolod and Cagayan de Oro. Warranty services for the replacement of parts in these areas must be accomplished within 48 hours upon receipt of notice. Onsite support for head office PCs and walk-in support for provincial service centers. List of Service Centers in the aforementioned areas must be provided together with their addresses and contact numbers. • Two (2) demo units must be submitted by the lowest bidder within fifteen (15) calendar days after the bidding. 	<p>provide the after sales support and has a capacity for this project.</p> <p>May we request to give an option to provide Onsite Support Nationwide aside from having list of service centers. Because our brand "Dell" doesn't have physical service centers now. Rather they are providing the Onsite Support directly to the end-user and their engineers are the one to go to the end-user site to diagnose & fix the problem.</p> <p>May we request to relax the quantity of demo unit into one (1) unit & the submission lead time into thirty (30) calendar days because the demo unit will be coming from brand headquarters outside Philippines.</p>	<p>On the latest Bid bulletin, Distributor/Dealer/Manufacturer must have Service Centers in Metro Manila to provide warranty services within three (3) years with Onsite support: Warranty services for the replacement of parts must be accomplished within 48 hours upon receipt of notice.</p> <p>We will retain the required number of demo units and the number of days unit must be submitted.</p>
<p>Prepared by:</p>  <p>Randy M. Belen DCS III, LAN Team</p>		<p>Approved By:</p>  <p>Enrique L. Sazon Jr. VP/Head, NOD</p>	

B. Additional Requirements:

- 1 » Bidder must have at least two (2) installed base of 150 PCs each or one (1) installed base of more than 300 PCs (other than LANDBANK; delivered and installed in the last five years - supported by POs).* Certificate of Satisfactory Performance for each installed base must also be provided.*
- 2 » Bidder must be an authorized dealer and service provider of the product (with manufacturer's certification)
- 3 » ISO 9001:2015 (or higher) certification of the manufacturer.*
- 4 » Energy Star version 8.0 (or higher) certification of the product.*
- 5 » Bidder must be in existence of at least ten (10) years in the Philippines and the unit model is in current catalogue and verifiable in the manufacturer's website (with manufacturer's certification).*
- 6 » Distributor/Dealer/Manufacturer must have Service Centers in Metro Manila to provide warranty services within three (3) years with Onsite support: Warranty services for the replacement of parts must be accomplished within 48 hours upon receipt of notice.
- 7 » For uniformity of bids, prices must be quoted in Philippine Peso inclusive of VAT.
- 8 » Two (2) demo units must be submitted by the lowest bidder within fifteen (15) calendar days after the bidding.
- 9 » Units must be delivered at LBP Antipolo Warehouse within sixty (60) calendar days upon receipt of Notice to Proceed (NTP).

* supporting documents must be submitted and included in the eligibility and Technical component.
