New Corporate Website Project

LANDBANK invites interested vendors in the budget discovery/exploratory based on the Bank's Request for Proposal (RFP). Requested duration of posting is two (2) weeks.

Project Background:

This project aims to address the business requirements on customization, to comply with regulatory requirements and avoid observations due to non-compliance of the provisions of Manual of Regulations for Banks (MORB) and Circulars; and to address evolving requirements of the Bank's Custody business driven strongly by the regulation and client needs.

Contact Information:

Interested vendors may contact the following ITPMD personnel:
