Replacement of the Precision Air Conditioning Unit (PACU) at Head Office

LANDBANK is inviting interested vendors to participate in the budget discovery/exploratory study of the Supply, Delivery, Installation, Testing and Commissioning of Precision Air Conditioning Unit (PACU) at Head Office (Inclusive of Three (3) Years Warranty and Support)

PACU is a highly intelligent cooling system that provides precise temperature and humidity to mission-critical application equipment such as Mainframe, servers, storage, backup tapes, network equipment and other devices. This will be used for cooling system of the Bank's Data Center.

For interested providers, please email or call:
