### RELOCATION SERVICES OF IBM EQUIPMENTS

---

LANDBANK is inviting interested vendors to participate in the budget discovery/exploratory study for the Relocation Services of IBM Equipments.

The Bank approved the Co-location data center (CDC) to the service provider offering all the data center essentials—from rack space, to environmental requirements, network, bandwidth, multi-level security, and even IT hardware and software the whole IT infrastructure complete with resource monitoring systems. With the new CDC, we will be transferring our IBM equipments to its new site.

For interested providers, please email or call:
