# LANDBANKasama: Expanding Financial Inclusion in Underserved Areas

LANDBANK has recently introduced the LANDBANKasama Program, an initiative aimed at expanding its services and enhancing financial inclusion, particularly in remote and underserved areas throughout the country.

## *Collaborative Partnerships for Essential Banking Services*

Under the LANDBANKasama Program, the Bank teams up with client cooperatives, associations, rural banks, local government units (LGUs), micro, small, and medium enterprises (MSMEs), as well as private entities, to provide essential banking services in areas with limited or no access to traditional banks.

The Program aims to empower customers by reducing transaction costs and enabling savings on travel expenses for those residing outside major city centers, as LANDBANKasama Partners offer a wide range of services, including cash withdrawal, cash deposit, fund transfer, bills payment, balance inquiry, and the opening of LANDBANK prepaid cards.

“Through LANDBANKasama, we leverage the power of digital banking and strategic local partnerships to provide basic banking services to remote, underserved, and unbanked communities nationwide. We look to advance greater financial access to clients and stakeholders who need our services the most,” said LANDBANK President and CEO Lynette V. Ortiz.

## *Empowering Communities Through Upgraded Banking*

LANDBANKasama is an upgraded version of the Bank's previous Agent Banking Partner (ABP) Program. It allows clients to transact using their savings accounts in addition to their LANDBANK prepaid accounts.

In the town of Pantukan, Davao de Oro, LANDBANK has onboarded the Pantukan Chess Club Multipurpose Cooperative (PCCMPC) as its official LANDBANKasama Partner.

Through the PCCMPC counters, residents of Pantukan now have access to convenient banking services, such as the opening and issuance of LANDBANK Prepaid Cards and other various cash transactions, without having to travel all the way to the nearest LANDBANK branch in Tagum City, Davao del Norte.

This partnership also benefits the Department of Social Welfare and Development Conditional Cash Transfer program beneficiaries as well as government employees, teachers, students, and other private clients in the area.

The PCCMPC is now part of the 1,073 former ABPs nationwide that have become LANDBANKasama Partners, with 1,818 terminals operating in 82 provinces and 860 municipalities across the country.

LANDBANK remains committed to delivering innovative and inclusive financial services to all Filipinos, extending its reach to serve even the most remote communities.
