### **One (1) Year specialized Professional Services for the existing IBM Power machines requiring AVL/AVS days for WAS and DB2**

---

LANDBANK is inviting interested vendors to participate in the budget discovery/exploratory study of the a One (1) Year specialized Professional Services for the existing IBM Power machines requiring AVL/AVS days for Websphere Application Server (WAS) and DB2 for Unix, Linux and Windows

The Bank is using IBM Power machines to run the ATM Information Switching Technology (IST) and Systematics applications. The need for continued support in using the Power servers is a must considering the continuing enhancement of the Bank applications and also in cases of emergency cases. AVL/AVS Professional Services will provide specialized continuing professional IT support to IBM Power servers and other machines, wherein our critical applications and projects are deployed such as ATM-IST and Systematics.
