One (1) Year Support Line for Z and Software Onsite Support for the Mainframe z15 for Head Office and Disaster Recovery (DR) Site

Description:

LANDBANK is inviting interested vendors to participate in the budget discovery/exploratory study of the One (1) Year Support Line for Z and Software Onsite Support for the Mainframe z15 for Head Office and DR Site.

The support line for System Z and software onsite support is needed to be able to use the IBM Mainframe software and ensure remote and onsite support. The Bank's core banking application, Deposit System, runs in our IBM mainframe server. The mainframe server is designed to run voluminous transactions under highly secured environment.
