CHAPTER 1

OVERVIEW

0101 PURPOSE AND COVERAGE OF THE MANUAL

1. The Constitution recognizes the fundamental role of free and open exchange of information in a democracy, meant to enhance transparency and accountability in government official acts, transactions, or decisions. Section 28, Article II of the 1987 Constitution enunciates that the State adopts and implements a policy of full public disclosure of all its transactions involving public interest, subject to reasonable conditions prescribed by law. Section 7, Article III of the Constitution guarantees the right of the people to information on matters of public concern.
2. Sections 3 and 7, Article III of the Constitution as well as laws, rules and regulations, and jurisprudence also strengthen the fundamental human right of privacy and of communication while ensuring the free flow of information to promote innovation and growth.
3. In recognition of the urgent need to operationalize these Constitutional provisions, the President of the Philippines issued EO No. 2, Series of 2016, or the law on the PFOI on July 23, 2016.
4. This Manual is issued pursuant to EO No. 2, Series of 2016. The Bank ensures full support on the transparency, disclosure, and accountability in government official acts, transactions, and decisions without compromising the credibility and reputation as well as public confidence in the Bank. The Bank also warrants the protection of its privacy and that of its stakeholders in accordance with the Constitution, laws, rules and regulations. This Manual shall cover all requests for information given to the Bank by the requesting parties.
5. This Manual shall not cover requests for information:
 - a. By clients/customers/investors of the Bank on matters relevant and material to their accounts and investments;
 - b. By persons or entities with contracts or dealings with the Bank on information that they are legally entitled to have access to; and
 - c. By the public on information made known to them and other matters relevant thereto (e.g., products and services).

CHAPTER 2

0201 GENERAL GUIDELINES

1. The requesting party shall submit a written request to the IC of the Rec U and/or accomplish the RRDI (**Exhibit 2.1**).
 - a. The request shall state the name and contact information of the requesting party, provide valid proof of his identification through the submission of at least one (1) photo-bearing Identification Document (ID, **Annex 2.1**), reasonably describe the information requested, and the reason for, or purpose of, the request for information.

 - c. As much as possible, the RRDI shall be accomplished in the presence of the IC. If necessary, the IC shall assist the requesting party in filling out the said form. The RRDI may be dispensed with if the required information are stated in the written request and all the requirements are submitted, pursuant to item 0201.1a.

If so, CAD-CCC shall deny the request and send a letter of denial (**Exhibit 2.4**) to the requesting party.
7. If no similar request involving the same information from the same requesting party has been previously received by the Bank, CAD-CCC shall refer the request to the Res U using the memo referral (**Exhibit 2.5**).

The notice shall state the reason/s for extension (**Exhibit 2.7**).

- c. The request for information is issued by courts, quasi-judicial bodies, tribunal, and other government agencies, thru orders, summons, subpoenas, writs, and other legal processes.
11. If LSG determines that the information may not be released, it shall issue a written opinion to the Res U. If in its opinion the information may be released, LSG shall issue clearance to the Res U, coursed thru the Sector Head of the Res U which shall approve the release of the information pursuant to EO No. 062, Series of 2011.
12. No written request for information shall be denied by the Res U unless the disclosure of the information to the requesting party is prohibited under the Exception List and/or is not allowed under the Constitution, laws, rules and regulations or jurisprudence, or if the information requested has been the subject of a previous and substantially similar or identical request from the same requesting party, or if the reason for the request is contrary to law and existing rules and regulations.
13. The Exception List shall be updated as often as may be necessary by LSG.
14. CAD shall be in charge of ensuring that the PFOI Manual is up-to-date and shall undertake appropriate steps to revise the said Manual annually or as necessary in coordination with LSG.
15. If the Rec U is the information owner or unit in custody/possession of the requested information, it shall perform all the functions of the Res U in this Manual and can approve or deny the request for information. However, if the requesting party is not entitled to the information requested pursuant to the Constitution, law, rules and regulations, jurisprudence, or the Exception List, or if the reason for the request is contrary to law and existing rules and regulations, or if it is aware that the requested information has been the subject of a previous and substantially similar or identical request from the same requesting party, the Res U shall deny the request immediately. The CAD-CCC must be informed and furnished copies of the denial and written request and/or RRDI.
16. If the Rec U is located in the same vicinity/area as the Res U, the requesting party shall be referred/accompanied by the IC of the Rec U to the Res U.
17. TMG shall be responsible for the maintenance of the PFOI automated database system.
